INCENTIVE TRAVEL PROGRAMMES, CONFERRING AND EVENT MANAGEMENT

ZANZIBAR

We'll take your brief, create budget friendly, unique ideas and bring them to life! An "out the box" approach to travel incentives designed to motivate, recognise and retain top achievers.

At The Holiday Factory, our professional group and incentives team understand that staff motivation is the key to a company's success. What could be more rewarding than one of a kind, bespoke explorations of tropical Indian Ocean Islands or experiencing the delights of the Far East?

The Team at The Holiday Factory would love to help you create the perfect incentive trip by getting to know you, and what suites your client's budget best. By working closely with you we can create the perfect incentive to engage, excite and inspire the work force.

The Holiday Factory is an accredited active member of ASATA (Association of Southern African Travel Agents) and holds an IATA license. **We are proudly a BBBEE level 2 contributor.**
