

Fact Sheet

Constance Belle Mare Plage, Mauritius

Want exceptional choice and have energy to spare? Then this is the place for you. You will not believe the variety of activities on offer at this hotel and the kids will love it.

I mean, where do we start? How about a 2km beach with all the water sports you can think of – and probably some you can't – two 18-hole golf courses, U Spa by Constance and four pools. If eating is your favourite pastime, there are five (yes, 5) restaurants and, overall, the attention to detail that makes a family holiday so special is second to none. There is a huge choice of rooms so do your homework and choose which works for you, your family and your pocket.

LOCATION

East Coast, Belle Mare.

ACCOMMODATION

All rooms are richly decorated and finished in local woods and marble. They are all sea facing with private balconies or terraces, and equipped with the latest mod cons, excellent room service and easy access to the gentle lapping waves and glowing white sands. If you want to stay in more secluded, deluxe accommodation there are a number of divine beach villas to choose from. Surrounded by the regal greens of the coconut groves and peaceful lakes, the villas are the perfect place to allow the warmth of Mauritius to wash over you.

92 Prestige Rooms (Size: 45 m²)

Each with a private balcony and located on the ground, first or second floor.
