Fact Sheet Ayada Maldives

Multi award winning Ayada Maldives is a private island resort in Maldives' relatively unexplored Gaafu Dhaalu Atoll in the south of the country. The luxury resort offers 122 spacious villas and suites set amidst lush tropical gardens and greenery, and is ringed by a pristine coral reef where dolphins are frequent visitors.

LOCATION

The resort is located on the southern rim of the Gaafu Dhaalu Atoll in the southern Maldives, 30kms north of the Equator.

ACCOMMODATION

The 9 luxury accommodation types combine contemporary with traditional Maldivian design elements. 10 Garden Villas, 50 Water Villas and 62 Seafront Villas are tastefully designed and furnished to provide privacy and comfort and all offer direct beach or ocean access and the service of your own dedicated butler. The majority of the villas also have a private plunge pool.

Garden Villas enjoy lush vegetation, a hammock on the terrace and are ideally for a family of 2 adults and 2 children.

Beach Villas have direct beach access plus a private plunge pool.

Ocean Villas are poised on stilts over the lagoon. All have private pools, ocean hammocks and direct access to the ocean from the sun deck.

Beach Suites have a larger bedroom that can take up to 2 children. They can also interconnect with a Beach Villa.

Sunset Beach Suites have a beachfront location, private pool and great view of the setting sun.

Sunset Lagoon Suites offer the best of both with a beach front location and a terrace on stilts over the water, an over water hammock, plunge pool and direct access to the water.

Sunset Ocean Suites are located on stilts over the water, the living area has a glass floor panel, huge sundeck, private pool, ocean hammocks and great sea vistas. In the **Sunset Ocean Family Suites** the living area is converted to a second bedroom with twin beds.

The **Ayada Royal Ocean Suite** is a split level Presidential Suite at the end of the jetty with 2 bedrooms, a living area, outdoor shower area, private pool with Jacuzzi and direct ocean access.
