

Beautiful, upmarket 5-star luxury, this resort reverses the trend of the Maldives. The water villas are the 'basic' accommodation (still to die for, with 100 square metres of fabulous bedroom and living area, sundeck, private pool and steps leading into the ocean) while the beach villas are luxury personified; just consider the outdoor bathroom with its sunken bath and rain shower nestling among the lush foliage. All the usual sporting activities and the kids club is really lovely and beach accommodation is suitable for families. This resort is a testament to the Constance brand's qualities.
