

This resort, to us, defines the Maldives experience; barefoot from the moment you arrive to the moment you – reluctantly - leave.

OK, so if you're staying in a water villa, you'll need to wear sandals on the boardwalk, but you get the idea! The ultimate in relaxation, even the restaurants and bars and all main areas have sand floors. Opened in late 2010, you will experience a solitude you didn't think possible. 4-star deluxe standards of comfort and service make you feel a million miles from the real world. The Cristal all-inclusive plan is unbelievable; premium brand drinks, international wine list, unlimited cocktails as well as excursions, snorkelling equipment and more. Open air a la carte restaurant and vibey beach bar complete the picture
