

Fact Sheet

Komandoo Maldives Island Resort

Small but perfectly formed – 500 metres long by 100 metres wide – Komandoo is only a 35 minute seaplane transfer from the airport but you arrive in a different world. A lagoon of crystal clear water and surrounded by tropical vegetation, this is a true romantic hideaway, especially as it is over-18's only. But the best feature is the house reef, which is accessible by simply stepping off the beach, donning your snorkel and discovering an amazing underwater paradise; turtles, dolphins, mantas, sharks and rays have been spotted here frequently. In total there are over 40 dive sites within a 10 to 45 minute radius. Over-water or land accommodation, a full range of land and water sports, the Duniye Spa and two restaurants complete this island hideaway
