

MAURITIUS WEDDINGS

THERE ARE TWO OPTIONS FOR A WEDDING IN MAURITIUS, A LEGAL WEDDING OR A RENEWAL OF VOWS (MOCK WEDDING)

Legal wedding:

Once the hotel has been chosen and travel arrangements are confirmed, The Holiday Factory will be able to set a date with the hotel for the actual wedding ceremony. Bookings for weddings are strictly on a request basis and subject to availability. Generally, weddings take place from Mondays to Fridays. Ceremonies on weekends and public holidays will incur a supplementary charge.

Most hotels offer a basic wedding package free of charge alongside the legal wedding which includes the services of the hotel wedding coordinator, undecorated location of the ceremony, a wedding cake, a turndown service and one bottle of sparkling wine. You can then upgrade this package with an array of add ons from simple to elaborate.

Documentation will be required to be sent to Mauritius in advance (2 months - requirements will be provided at the time of booking.) The administrative costs for a Legal Wedding are approximately MUR22,000

Renewal of Vows:

This is a non-legal ceremony requiring a master of ceremonies to perform the ceremony and issue a certificate. Individual resort packages are applicable for the Renewal of Vows. Costs for a Renewal of Vows start from MUR13,000

Should you want to expand, optional services are available for both options for example:

- Bridal hairstyling from MUR5,400
- Solo guitarist from MUR5,000
- Local bands starting from MUR16,000
- Special dinner from MUR3,000 per person
- Flowers from MUR5,000 for bouquet and buttonhole
- Photographer from MUR15,000 for 40 images on a pen drive (no prints)
