

SEYCHELLES WEDDINGS

There are two options for a wedding in the Seychelles, a legal wedding or a renewal of vows (mock wedding)

Legal wedding:

Once the hotel has been chosen and travel arrangements are confirmed, The Holiday Factory will be able to set a date with the hotel for the actual wedding ceremony. Bookings for weddings are strictly on a request basis and subject to availability. Generally, weddings take place from Mondays to Fridays between 14h00 and 16h00. Ceremonies on weekends and public holidays will incur a supplementary charge.

Most hotels offer a basic wedding for a fee which includes the services of the hotel wedding coordinator, location of the ceremony, a dinner for the couple, a wedding cake, a turndown service & sparkling wine. The basic package would start from €250. Documentation will be required to be sent to the Seychelles well in advance (5 weeks - requirements will be provided at the time of booking).

The administrative costs for a Legal Wedding are approximately €420.

Renewal of Vows:

This is a non-legal ceremony requiring a representative to perform the ceremony and issue a Renewal of Vows wedding certificate. Individual resort wedding packages are applicable for a Renewal of Vows.

The administrative costs for a Renewal of Vows ceremony are approximately €380.
