

ZANZIBAR WEDDINGS

THERE ARE TWO OPTIONS FOR A WEDDING IN ZANZIBAR; A LEGAL WEDDING OR A RENEWAL OF VOWS (MOCK WEDDING)

Legal weddings

Once the hotel has been chosen and travel arrangements are confirmed, The Holiday Factory will be able to set a date with the hotel for the actual wedding ceremony. Most hotels offer a basic wedding package alongside the legal wedding package which includes the services of the hotel wedding coordinator, undecorated location of the ceremony, a wedding cake, a turndown service and one bottle of sparkling wine from \$1,600. You can then upgrade this package with an array of add ons from simple to elaborate.

Documentation will be required to be sent to Zanzibar in advance (30 days - requirements will be provided at the time of booking.)

Renewal of Vows:

This is a non-legal ceremony requiring a master of ceremonies to perform the ceremony and issue a certificate. Individual resort packages are applicable for the Renewal of Vows. Costs for a Renewal of Vows are anything from \$1,000 and would generally include the services of a wedding coordinator, decorated venue, simple bridal bouquet, simple wedding cake and a turndown service

Should you want to expand, optional services are available for both options for example:

- Additional fee per person at reception from \$50
- Bridal hairstyling from \$50
- DJ. Music from \$300
- Masai show from \$300
- Special dinner from \$200 per couple
- Flowers from \$75 for bouquet and buttonhole
- Photography from \$600
