# Welcome to Mauritius

**Friendly, inviting and relentlessly beautiful – welcome to Mauritius! Beaches, temples, lagoons, rainforests, reefs, waterfalls, shopping, dining... Mauritius has it all. For the adventurous and active, the array of options is endless; from scuba diving and snorkelling to sailing and deep sea fishing, or water-skiing and parasailing, kite surfing and yoga, quad biking and horse riding – you name it, you'll find it in Mauritius.**

Due to its multicultural diversity, Mauritius boasts a number of spoken languages. With immigrants from Africa, India, France, the UK and China, there is a vast mixture of cultures, languages and traditions. Both English and French are generally accepted as the official languages (with French being the most dominant), and Creole being the most commonly used language on the street.

The island is blessed with a tropical climate and is a fantastic year-round destination. Temperatures range from the low to mid-20°C in the cooler months (April to October), up to the late 20°C and early 30°C during the gorgeous summer months from November to March.

Mauritius has an impressive array of activities available – from exhilarating zip lining to cultural temple visits. Of course, it's also very important to factor in plenty of time to soak up the sun. If you are looking for more adventure than spending time on the beach, this is what is in store for you.

## Deep Sea Fishing

Mauritius is a paradise for deep sea fishing and holds several world fishing records. The ocean is 70 metres deep, 1 kilometre away from the coast and species which can be found in these waters include the blue or black marlin, all types of sharks, yellow tuna, the Bonitos, barracuda and more. Huge fish like the Blue Marlin roam the seas and hunt around the island from November to April. Fishing boats can be hired from almost all hotels.

## Spa & Wellbeing

If you're looking for some pampering be sure to visit the Spa found at most hotels where you can relax in the capable hands of experts and allow yourself to be carried away by your senses (you deserve it)!

## Shopping

The Island's reputation as a shopping paradise is enhanced by the diversity and quality of shopping opportunities. From sophisticated shopping centres to small craft shops and bustling market stalls, there is something for everyone. Whatever happens, you can't leave Mauritius without a sega outfit and at least one frangipani hair clip!

## Scuba Diving & Snorkelling

Mauritius is fantastic for diving all year round. A barrier reef encircles almost the entire island which creates a shallow lagoon reef, making it particularly good diving for beginners. On the other side of the barrier reef, caverns and crevasses as well as a number of ship wrecks will delight the more experienced diver.

## Nightlife

Most hotels in Mauritius offer nightly entertainment but for those seeking a little more action, there is lots of fun to be had on the island. The night scene of Mauritius entices with beach clubs, nightclubs, casinos, bars & pubs with live music, and even laid back lounges.

## DID YOU KNOW?

- Because of its small size, Mauritius is the most densely populated country in Africa (approximately 1.3 million people).
- Even though it has been extinct for 350 years, the Dodo is the national bird of Mauritius.
- The capital city of Mauritius is Port Louis.
- The island is only 65 kilometres long and 45 kilometres wide.

A wedding package in Mauritius will include airfares, hotel accommodation, transfers and the hotel’s pre-arranged wedding package. Details like photographers, hair and make-up and décor would all be extra – we will send you all the information once you have picked your resort and you can go ahead and supersize your wedding package with the extras that you want to make your day special!

The wedding package offered by the hotel would generally include: all local legal fees for a legal ceremony, a wedding cake, a candlelit dinner, sparkling wine and a wedding gift from the hotel for the couple.
