Fact Sheet

Maritim Crystals Beach Hotel Mauritius

This resort is amazing value for money on the East Coast. It's big, around 181 rooms, but that does not mean there is no soul or atmosphere.

The family rooms are large and perfect for a family of four and offer a separated room for the kids, the junior suites offer a Jacuzzi bath and most rooms face the ocean. Lounge around the huge pool and explore the long white sandy beach. There is a comprehensive selection of land and water sports and you can even visit the dive centre. The kids club takes kids from 3 – 12 years and keeps the little ones entertained while you re-energise at the spa. Do yourself a favour and upgrade to the all-inclusive for a stress free break.
