

An absolute vision of paradise, and that's even before you set foot on it! Reached by sea plane, this resort is a little slice of pure bliss with coconut palms fringed by colourful corals. The accommodation has undergone a complete 'overhaul' and the striking white theme with splashes of colour has been carried through all the categories, Beach Villas, Deluxe Beach Villas (some with Jacuzzi or pool), Water Villas, Aqua Suites and a Grand Reef Suite, all with their own distinct features to bring your holiday experience brilliantly to life. With four restaurants and two bars you can dine al fresco over the water, in a sarong on the beach, or one-on-one with your lover at one of the island's most secluded spots.
