## Fact Sheet

### One & Only Le Saint Geran, Mauritius

This resort is an eternal favourite and one of the most established of Mauritian resorts, having been around since 1974. Built by the legendary Sol Kerzner, it displays all of his flair for creating the right place in...well, the right place and puts an emphasis on impeccable, but discreet service. It is very possibly the ultimate in understated luxury whilst catering for every need in spacious and gracious surroundings. And now, having been closed for almost a year – undergoing the ultimate refurbishment – the One & Only Le Saint Geran re-opens on a grander scale than ever before.

The entirely private peninsula of Le Saint Geran offers two stunning coastlines, where pristine white sands meet sparkling warm waters. With a magnificent new swimming pool at Palm Grove, the resort now boasts three pools across the resort which offers families, couples and spa visitors their own dedicated spaces to have fun and relax.
