

This resort, to us, defines the Maldives experience; barefoot from the moment you arrive to the moment you – reluctantly - leave. The new deluxe water villas with large private decks are some of the best in the Maldives and that's what the Maldivians say, not just us! This is an excellent value, all-inclusive resort that offers a real Robinson Crusoe holiday experience, albeit with full facilities and plenty of great food! There's a fashion boutique and photo shop, business centre, water sports centre with marine biologist, diving centre and you can enjoy a fish barbecue and theme nights at the restaurants or sit on the sand with a cocktail at the beach bar.
