Fact Sheet

Fumba Beach Lodge Zanzibar

Fumba Beach Lodge is a small scale, peaceful hideaway set on one of Zanzibar's most secluded beaches on the Fumba Peninsula in the Menai Bay Conservation Area. With only 26 free standing spacious cottages, private decks, verandah's and little hideaways this is a perfect venue to dream, swim, dive and relax. The essence of Fumba Beach Lodge is privacy, space, relaxation, nature and attention to detail.

LOCATION

South West Coast
30 minute transfer from the airport

ACCOMMODATION

There are 26 Zanzibari style bungalows in 4 categories.

12 Deluxe Sea View Rooms

These large, light rooms all have an en suite bathroom, fans, king size beds and a private veranda. These rooms have a phenomenal view over the ocean. There is a stretch of beach in front of these rooms with sun loungers and hammocks with shade provided by the palm trees and umbrellas.

8 Deluxe Garden View Rooms

These large, light rooms all have an en suite bathroom, fans, king size beds and a private veranda. These rooms have a magnificent view on the lush gardens. Some of the Deluxe Rooms are adjoining, which makes them a perfect option for small groups and families with children.

4 Suites

The Suites all have an en suite bathroom with a bath, a Frank Lloyd Wright inspired outside shower, overlooking the ocean with direct access to the beach, a private roof terrace and king size beds. A special feature is the private deck with hammock located in front of the rooms.

2 Baobab Suites

For the ultimate extravagance, spoil yourself in one of the two lodgings cradled around a 900 year old baobab tree. Their complete bathrooms are open to the elements and these Suites have direct access to the beach. The private deck with hammock is a nice feature that offers unlimited, private sunbathing. The Baobab Suites are also known as the Honeymoon Suites.
