

Fact Sheet

Radisson Blu Poste Lafayette
Resort & Spa, Mauritius

Until now, this part of the island has remained undeveloped, so this hotel sits in the middle of an unspoiled and unexplored paradise.

This adults only resort with a 100 rooms, it is not so big as to detract from the location. Not all rooms face the sea so consider upgrading to an ocean front room. Great All Inclusive packages gives you the best of everything. The Spa has fully-trained masseuses who work around the world and really know their stuff.

The snorkelling in the completely undisturbed reef is some of the best on the island. White sands, blue sea; beauty like this doesn't come around every day.
