

Fact Sheet

Komandoo Maldives

Small but perfectly formed – only 200 metres wide and 500 metres in length - Komandoo is only a 40 minute scenic seaplane transfer from the airport but you arrive in a different world. A lagoon of crystal clear water surrounded by tropical vegetation and a kilometre of white sand beach, this is a true romantic hideaway, especially as it is over-18's only. But the best feature is the house reef, which is accessible by simply stepping off the beach, donning your snorkel and discovering an amazing underwater paradise turtles, dolphins, mantas, sharks and rays have been spotted here frequently. In total there are over 50 dive sites within a 10 to 40 minute radius.
